How to Find Us

Our OS grid reference is SN 003383.

Travelling From Fishguard:

We are 3 miles from Fishguard just off the coast road to Cardigan (A487) in the village of Dinas Cross. Another 3½ miles takes you to the ancient estuary town of Newport. Travelling from Fishguard, shortly after entering Dinas Cross you will see a 30 mile limit sign and tennis courts on your right. Turn immediately left after the 30 sign down a short track and you will see Merton Hall with Seaview adjoining in front of you. The drive takes you left to reach the house.

Travelling from Cardigan/Newport:

Travelling from Cardigan/Newport drive through the village of Dinas Cross. After about ¾ mile you will enter a 30 mile limit restriction at Bwlch Mawr (a narrow section of road). As the road widens again you will see tennis courts on your left. Turn right down a short track immediately before the 40 mile per hour sign. You will see Merton Hall with Seaview adjoining in front of you and the drive takes you left to reach the house.

We suggest that you do not rely on you sat nav directions alone as our postcode covers a large area, please use these directions for the last few hundred metres (we do not have a sign on the main road).
